LS 2400 SERVICE

Lift Off Series

Model Description

The LS 2400 Service model is a fully enclosed Canopy style, with a large T section compartment and two individual compartments. There are four side doors and a rear door allowing full accessibility to all sections of the Canopy. The two side internal compartments come standard with an adjustable shelf.

Ladder racks and rear trundle draw are standard fitment

It is a lift off/removable type service body and is clamped to the aluminium or steel tray of the vehicle with the Ridgeback clamping system which is included as standard

Designed and Australian Made – Quality

- The Body is manufactured from high strength, light weight aluminium
- Chromate dipped and Powdered coated in a wide range of colours
- Ergonomically designed to allow easy access to tools and equipment
- All compartments are water and dust resistant – protecting your valuable equipment
- Galvanised base frame

Lift-off Series – Two vehicles in one

Work horse during the week – Safely securely and efficiently transporting your tools to the work site. Multi-purpose on the weekend. Lift off the service body to carry your surfboards, camping gear, motorbikes or do a trip run with your flat tray.

The service body is easily removed and stored in minutes with four lifting jacks – rated at 1000kg each (Lifting Jacks are an optional extra)

Ideal for use in the following industries

- Service Techs
- Mechanics

Utility Vehicle Type

- All 1-tonne Single Cab Utilities

Warranty

- 3 years standard

Key Advantage

- T section compartment provides flexible storage options
